The Request for Proposals is hereby modified as follows:

“Instructions to Bidders: Currently, eight medium to large trees on Sapp Road, one large tree on Jones Road *and one large tree on Fidalgo Street* pose potential safety hazards. This job will consist of removing and disposing of the trees in accordance with state and local guidelines. Trees are to be removed to ground level, *with the exception of the trees on Jones Road and Fidalgo Street, which shall include stump grinding to 1’ below surface elevation. Backfill if required will be by city forces. Stump grinding is not required for the other trees but they are to be cut flush with the surrounding ground surface.* Removed material will become the property of the contractor and be disposed of in a legal manner. A detailed list of the trees with locations and approximate waist height diameter along with photographs of each location are available on line at City of Sedro-Woolley Web Site at <http://www.ci.sedro-woolley.wa.us/BidsAwards/main.htm>. Trees are currently marked in the field with orange survey tape. *Bid Item 11 is for hand tree limbing of several large trees on a crew hourly basis. Trees to be limbed are located at the Sedro-Woolley Cemetery, 1450 Wicker Road, and are not directly accessible by vehicle. Work to include removing selected limbs to the trunk of the tree, disposal of debris and clean up. The quantity provided in the bid form is an estimated amount for purposes of comparing bids. Contact Jeff Moody, Cemetery Lead at 360-661-6470.*”

The Bid Form is replaced by the attached *Tree List & Bid Sheet – Addendum 1*.
