

## SKAGIT COUNTY LITTER CREW

This program, partially funded by the Department of Ecology, focuses on cleaning up roadside litter and illegal dumpsites on public land. You may see them at work.

It is a cooperative effort between the Department of Ecology, The Department of Corrections, the Skagit County Public Works Department Solid Waste Division, and the Skagit County Sheriff. The crew is made up of several individuals.

### **Ecology Youth Corps:**

The Ecology Youth Corps is organized by the Department of Ecology and is made up of young people. They pick up litter form along I-5 and state highways.

### **Health Department:**

The Skagit County Health Department has the responsibility of enforcing laws and ordinances that relate to illegal dumping and littering.

## **ILLEGAL DUMPING**
